Welcome to the 2011 "Best of Coral Springs and Parkland"

Welcome to the 17th Annual "Best of Coral Spring and Parkland 2011"

Once again, our readers did not disappoint us! The ballots for our Best of Coral Springs and Parkland filled our mail box over and over again. Thank you to the countless readers who took the time to fill out the "super-sized" ballots and mail them in, choosing their favorites in many categories. Our readers love their city and they know where to find the best of everything in it! Again, we dedicate this issue to them – the residents of Coral Springs and Parkland for their support and interest for the Best of 2011 and throughout the year. Best of Coral Spring and Parkland 2011 is a true keeper, hold on to it, use it as a guide and please frequent the businesses that have won and been nominated.

As the economy continues to right itself, the local businesses in the Coral Springs and Parkland communities deliver the very best, with the same friendly attitude that make these communities the family friendly places that they are. Many more new businesses have opened this year and many of them made it on the ballot and we congratulate all of the nominees and winners. We take great pride in bringing you this readers' choice guide to the best merchants and service providers in our community.

As in the past, we are listing the nominees; however, again this year due to the enormous response and limited space, we regret that we could not list every nominee in every category.

Our congratulations to all of the nominees and winners of this year's readers' poll, and until next year, enjoy!

June will be Sherry Ryan's first anniversary as owner of Glow Wellness Spa & Salon, and she's celebrating. A ladies lingerie party is in the works for July. Her Father's Day specials include the popular King of the Hill and Iron Man packages. \$10 off a European massage and a \$100 gift certificate for \$90. "So there are opportunities for anyone on any budget level to feel special that day," she said.

Ryan has a solid business background, evident in the range of packages she offers to generate clientele. "A lot of putting these packages together was about listening to what people said about different spas," she said. Queen for a Day is the most popular, but Mother-to-Be and her Glow and Go Express are also in demand. "We wanted to do packages for different lifestyles," she said, not to mention bachelorette and bridal parties. "We've had as many as 60 people here."

Owner Laura Simoncini opened this addition to Parkland in September 2010. Simoncini has been in the fitness industry for more than 15 years and managed gyms all over the country. When she saw how Pilates transforms the body unlike anything else, she said she knew the area needed this facility. "I love how it creates long, lean muscles and works from the inside out," she said. Only one hour doing Pilates equals four hours in the gym, she said, and muscles customers never knew they had get worked. "Our place is very personal, where everyone knows you by your first name and they give challenging workouts, where people walk out knowing they worked hard," she said. Simoncini called Pilates the true fountain of youth. "We have cardio reformer classes for strength and conditioning to burn calories," she said. "We also have reformer tower bar fusion classes that incorporate the ballet bar for the hips and butt."

Laura's is open from 8 a.m. to 8 p.m. Monday through Thursday; 8 a.m. to 3 p.m. Friday; and 7:30 a.m. to 3 p.m. Saturday.
